Subject: Sequence Search 08/699,716

In re: 08/699,716

Please search SEQ ID NO:1 and a oligomer search of SEQ ID NO:1.
Please search SEQ ID NO:2 and an oligomer search of SEQ ID NO:2.
Please backtranslate the amino acid sequence of SEQ ID NO:2 into NA and run NA.

As always, please include an interference search.

Thanks,
Patricia A. Duffy
